To: Members of the College Council

Date: November 1, 2018

From: Michael Sokolow, Secretary

Subject: Agenda for the Meeting of November 15, 2018

The College Council will meet on Thurs. November 15, 2018 at 3:00 PM, room TBA.

AGENDA

I. Approval of the minutes of the meeting held on October 4, 2018

II. Reports

A. President's Report

B. Curriculum Committee Report [Voting items p.1-16; Informational items p.16-25; Agenda resumes p.25]

The Curriculum Committee presents the following resolutions for approval. (The section numbering reflects those used by CUNY):

A. Business Department

1. Closing of A.A.S. Office Administration and Technology
HEGIS: 5005.00
PROGRAM CODE: 01052
Sunset Date: FALL 2024

2. Closing of A.A.S. Website Development and Administration
HEGIS: 5104.00
PROGRAM CODE: 27756
Sunset Date: FALL 2024

B. Nursing Department

1. Addition of Admission Criteria for A.A.S. Polysomnographic Technology

FROM:	TO:
All first-time freshman and transfer students are enrolled as Liberal Arts (A.A.) students.	All first-time freshman and transfer students are enrolled as Liberal Arts (A.A.) students.

~~Once students satisfactorily complete a sequence of courses they will be considered into the polysomnographic technology major~~

Admission Criteria:
To be considered for the Polysomnographic Technology program, students must comply with the following:

1. Pass the CUNY Assessment Tests in Reading, Writing, and Math or satisfy all requirements for existing developmental coursework.

2. Students must complete BIO 1100, MAT 900, and PSG 100 with a minimum grade of "C"

3. Formal interview with the Program Director

2. Change in Retention Criteria for A.A.S. Polysomnographic Technology

FROM:
Retention Criteria

Criteria for retention in the Polysomnographic Technology Program mandates that students:

~~1. Receive no more than two grades below "C" in any of the general education Prerequisite courses.~~

1. ~~2~~. Earn a minimum of "C" in all Polysomnographic Technology (PSG) courses.

2. ~~3~~ Earning less than a "C" grade in a ~~PSG~~ course may repeat the course ONE TIME (subject to space availability) and must earn at least a grade of "C" in the repeated course.

TO:
Retention Criteria
Criteria for retention in the Polysomnographic Technology Program mandates that students:

1. Earn a minimum of **a** "C" **grade** in all **required courses (both PSG and general education)**

2. Earning less than a "C" grade in **any** course, may repeat the course ONE TIME (subject to space availability) and must earn at least a grade of "C" in the repeated course.

3. 4. Earning a grade of less than "C" in any repeated PSG course will be dismissed from the Polysomnographic Technology Program.

Any student who has not attended PSG courses for two or more consecutive semesters cannot be readmitted into the Polysomnographic Technology Program unless qualifying examinations have been passed in sequential order of the course previously completed. These qualifying examinations can be repeated only once. In addition, the student must demonstrate clinical competency by passing a clinical practical examination prior to returning to any of the clinical courses.

NEW COURSES

A. Department of Art

1. ART 2300, Asian Art through Religion, Philosophy, and Politics,

Prerequisite: None

Corequisite: None

Pre/Co-requisite: None

Credits: 3

Equated Credits: N/A

Hours: 3

Course Description: Introduction to the history of Asian art (early India, China, Korea, and Japan) from prehistory to the present. The course will examine a broad range of artifacts including monuments, city planning, architecture, sculpture, painting, calligraphy, ceramics, and prints. How religion, philosophy, and politics uniquely shaped visual culture in Asia is discussed. The course equally emphasizes the cultural transfers, how one culture influences another, and how at the same time a non-indigenous element becomes vernacularized by mixing with the local culture.

2. ART 2400, Global Contemporary Art: Diversities and New Expressions

Prerequisite: None

Corequisite: None

Pre/Co-requisite: None

Credits: 3

Equated Credits: N/A

Hours: 3

Course Description: Introduction to global contemporary art (the arts in the Americas, Europe, Middle East, Asia, and Africa). Art of the 21st century emerges from a vast variety of materials and means. This interdisciplinary course will examine a broad range of artistic practices including painting, sculpture, photography, video, performance art, animation, architecture, city planning, environmental art, activist art, and art using digital and social media. We will examine how arts from different geopolitical locations were uniquely shaped, responding to contemporary issues and concerns.

Change: Prerequisite and Course Description

6. PSY 2400, Psychological Disorders in Young Children

FROM:

TO:

Psychological disorders in young children and the practices required to deal with them in educational settings. The problems and needs of children with behavioral, emotional, intellectual, developmental and sensory disabilities are studied. The causes, diagnostic, therapeutic and educational interventions with teaching methods are reviewed for each category based upon principles learned in introductory ~~and developmental~~ psychology ~~courses.~~

Psychological disorders in young children and the practices required to deal with them in educational settings. The problems and needs of children with behavioral, emotional, intellectual, developmental and sensory disabilities are studied. The causes, diagnostic, therapeutic and educational interventions with teaching methods are reviewed for each category based upon principles learned in **introductory psychology.**

FROM:

Prerequisite: PSY 3000 or PSY 3200

TO:

Prerequisite: PSY 1100

C. Department of Business

Change in Prerequisite and Pre-/Co-requisite

1. FD 1200, Fashion Sketching II

FROM:

Only open to Fashion Design Majors and Business of Fashion Majors

Prerequisite: FD 1100

TO:

Only open to Fashion Design Majors and Business of Fashion Majors

Prerequisite: FD 1100 **and BF 3500**

Pre-Co-requisite: FD 1300

Change in Prerequisite

2. FD 1300, Computerized Fashion Design

FROM:

Only open to Fashion Design Majors and Business of Fashion Majors

Prerequisite for Fashion Design Majors: FD 1100~~, FD 1200~~ and BA 6000

Prerequisite: for Business of Fashion Majors: BA 6000

TO:

Only open to Fashion Design Majors and Business of Fashion Majors

Prerequisite for Fashion Design Majors: **FD 1100 and BA 6000**

Prerequisite: for Business of Fashion Majors: BA 6000

Change in Pre-/Co-requisite

3. FD 2200, Fashion Design II

FROM:

TO:

Pre-/Co-requisites: FM 3500 or BF 3500 and FD 2100

Prerequisites: FM 3500 or BF 3500 and FD 2100

Pre-/Co-requisites: NONE

4. FD 2500, Advanced CAD for Fashion Design

FROM:

Prerequisites: BA 6000, FD 2100, and FD 1300

Pre-Co-/requisites: FD 2200

TO:

Prerequisites: BA 6000, FD 2100, and FD 1300

Pre-Co-/requisites: FD 2200 **and FD 2000**

D. Department of Communications and Performing Arts

Change: Course Description

1. THA 5200, Acting I: Fundamentals of Acting

FROM:

TO:

This class introduces students to the fundamental concepts of basic acting technique including actions, beat analysis, vocal technique, emotional memory and physical awareness. Students will explore these concepts, as well as other theories and details associated with the Stanislavski acting system through lecture, readings, writing assignments and class discussion, as well as explore the actor's creative process through acting exercises and the rehearsal and presentation of scripted material.

This survey course serves as an introduction to the theories, techniques, histories and applications of modern acting. Students will study fundamental concepts associated with Stanislavski acting **theory** including action/**objective, beat analysis, vocal technique, emotional memory and physical awareness.** Students will explore **and apply these and** other theories **through various writing and reading assignments, as well as the interpretation and performance of diverse works of dramatic literature.**

Change: Credit hours

2. THA 5500, Introduction to Technical Theatre

FROM:

3 credits, 3 hours

TO:

3 credits**, 4 hours (2 hours lecture, 2 hours lab)**

E. Department of English

Change: Course Title
1. ENG 6300, Shakespeare

FROM: **TO:**

Shakespeare   Shakespeare **Survey**

2. ENG 6600. Literature and Human Behavior

FROM: **TO:**

Literature and Human Behavior   Literature and **Psychology**

3. ENG 6700, Women in Literature

FROM: **TO:**

Women in Literature   Women **and** Literature

F. Department of Health, Physical Education and Recreation

Change: Credits
1. HE 3400, Survey of Holistic Health Care

FROM: **TO:**

2 credits, 2 hours lecture   **3** credits, **3** hours lecture

G. Department of History, Philosophy, and Political Science

Change: Course Title and Course Description
1. PHI 6900, Environmental Ethics

FROM: **TO:**

Environmental Ethics   Environmental **Philosophy**

FROM: **TO:**

This course examines the ethics of human behavior as it impacts other species and the natural environment. Topics include the earth's energy/resource carry capacity (land use, industrial agriculture, seed patents, soil depletion, deforestation, and population expansion), ecological conservation (biodiversity, global pollution, globalization of disease, endangered species, and genetically modified organisms), and the ethical treatment of animals (factory farming, hunting, circuses, zoos, pets, leather and fur, scientific/medical and cosmetics research on animals). Leading theories of environmental ethics, their moral and conceptual foundations, and their expression in policy and practice will be examined critically.

A selection of the range of ethical and philosophical issues raised by humanity's acceleration of environmental change. Topics include our obligations to living organisms, ecosystems, and future generations, animal rights, and the definition of "nature" and what is "natural."

2. POL 5600, City Politics

FROM:

City Politics

TO:

Urban Politics

FROM:

TO:

An examination of the urban community's political actions and response to government policy. How ethnic, racial, religious and economic groups interact within the political system to meet the needs of their respective communities.

This course explores the economic, historic, political, and social forces that shape urban life. It then examines several contested policy issues - housing, economic development, education and/or welfare. Through readings, films, discussions, and research, students will become familiar with key concepts in urbanism and how intersections of race/class/gender inform urban experience.

H. Department of Mathematics and Computer Science

Change: Course Description

1. CIS 3100, Introduction to Database

FROM: **TO:**

Microcomputer applications used in an information systems environment. Introduction to database management systems, and integrated software systems and packages.

This course covers the basics of building relational databases and presenting the data in a user-friendly manner. The concepts of database normalization, data validation and referential integrity issues are stressed. The course utilizes Microsoft Access to cover these concepts but what is taught can easily be ported to large database systems such as Oracle and SQL Server. Data presentation layers using forms and reports are also covered as well as the basics of the SQL query language.

2. CIS 3200, Advanced Database Programming

FROM: **TO:**

Concepts and features of a contemporary database language. Emphasis is on fundamentals of good programming style and the use of the language syntax to develop database applications.

Building on concepts covered by the CIS 3100 (Introduction to Database) course and using VBA as the underlying programming language, this course focuses on accessing data contained in a typical database system and extracting and manipulating such data through code and the SQL language. Also covered are concepts of looping datasets, decisions using If/Then/Else and case statements. Both DAO and ADO data access methods are utilized and the code snippets needed to manipulate various controls of a typical presentation layer are covered.

Change: Prerequisite

3. CS 1400, Computer Organization and Assembly Language

FROM:

Prerequisite: CS 13A0

TO:

Prerequisite: **CS 1200 with a grade of "C" or higher**

Change: Corequisite

4. MAT M100, Pre-Algebra

FROM:

Prerequisite: Score of 20 to 39 on the Elementary Algebra portion of the ACCUPLACER CUNY Assessment Test in Math and either a passing score on the CUNY Assessment Test in Reading **or** demonstration of reading proficiency.

TO:

Prerequisite: Score of 20 to 39 on the Elementary Algebra portion of the ACCUPLACER CUNY Assessment Test in Math and either a passing score on the CUNY Assessment Test in Reading **or** demonstration of reading proficiency **or**

Corequisite: Enrollment in ENG 92A6

I. Department of Nursing

Change: Pre-/Co-requisite

1. PSG 101, Neuroscience and Pharmacology in Sleep

FROM:

Pre-/Co-requisite: NONE

TO:

Pre-/Co-requisite: **BIO 1200**

COURSES WITHDRAWN

Department of Tourism and Hospitality

1. TAH 700, Introduction to Sports Management
2. TAH 6600, Cruise Line Marketing and Sales
3. TAH 4600, Facilities Planning in Sports
4. TAH 9160, Professional Portfolio

Program Learning Outcomes

1. AS Exercise Science
2. AAS Nursing

INFORMATION FOR THE COMMITTEE

The following items have been removed by CUNY from the Chancellor's University Report (CUR):

Changes to Degree Program:

A.S. Degrees: Computer Science, Mathematics, Chemistry, Engineering Science, Earth & Planetary Science, Physics, Science for Forensics

Changes to Courses:

1. MAT/BA 2200, Business Statistics
2. MAT/BIO 9100, Biostatistics
3. CHM 100, Preview of General Chemistry
4. CHM 200, Introduction to Green Chemistry
5. PHY 100, Preview of General Physics I
6. CS 1200, Introduction to Computing
7. MAT 1400 Analytic Geometry and Pre-Calculus

8. EGR 2100 Engineering Design
9. PHY 1100, General Physics I
10. MAT 1500 Calculus I
11. MAT 1600 Calculus II
12. MAT 2100 Calculus III
13. MAT 900 College Algebra

14. MAT 2000 Elements of Statistics

New Courses:

1. MAT 9800 Intermediate Algebra for STEM Majors

2. MAT 9900 Pre-Calculus for STEM Majors

3. MAT 3000 Introduction to Mathematical Concepts in Proof

C. Strategic Planning/Steering Committee Report

The Strategic Planning Committee will offer its report, followed by a summary of the results of the online KCC Governance Questionnaire survey which took place in late October 2018.

D. Legislative Committee Report

The Legislative Committee presents the following resolution regarding part-time delegates-at-large to the College Council:

Whereas the College Council Constitution mandates that two seats shall be reserved for "part-time instructional staff delegates-at-large," and

Whereas the current rules regarding eligibility for the election of those seats are unnecessarily restrictive and have limited voting access and candidacy among motivated members of the adjunct electorate, and

Whereas according to the interpretation of the current rules, temporary appointment to substitute Full-Time lines has disqualified adjunct candidates and representatives from full participation in College Council elections and service, and

Whereas the current rules for filling vacancies do not account for the difficulties facing part-time candidates and elections, and

Whereas the streamlining of the rules for part-time College Council elections would expand participation and access to governance among part-time faculty,

(1) Be it RESOLVED,

That Article III Section IV(c) be amended from:

"Adjunct faculty shall be eligible to vote for delegates-at-large during their third (and successive) year of continuous service. Persons eligible to vote for delegates-at-large shall be eligible to nominate candidates and be nominated for the position of delegate-at-large"

To:

All adjunct faculty currently teaching at the college, including adjunct faculty serving on a substitute full-time line, shall be eligible to vote, nominate candidates, and be nominated for the position of delegate-at large.

Full-time members of the instructional staff or administrative staff who are concurrently teaching in an adjunct capacity at the college shall be ineligible to participate in elections for part-time delegates-at-large.

(2) And be it further RESOLVED,

That this change shall supersede current policy in the annual Elections Memo stating that "Retired full-time faculty who continue employment in an adjunct capacity without a break in service fulfill the continuous service requirement and are also eligible to vote in the full-time elections." Instead, they shall be included in the Constitution's reference to "all adjunct faculty currently teaching at the college" and shall vote in the part-time elections;

(3) and be it further RESOLVED,

That the following paragraph be added to Article III, Section III(e) regarding vacancies.

Current language:

"Vacancies shall be filled from the list of unsuccessful candidates of the previous election with the person having the greatest number of votes among the unsuccessful candidates designated to fill the vacancy until the next scheduled election. Where vacancies for unexpired terms are to be filled at a regular election, the candidates receiving the next highest number of votes after filling the regular three-year term vacancies shall be declared elected for the unexpired term. The longer terms shall be assigned to those with the highest number of votes." *[Article III, Section III(e)]*

Add:

For part-time instructional staff delegate-at-large seats that become vacant before November 1, a special election shall be held prior to the end of that fall semester to fill the vacancy until the next scheduled election. If a seat becomes vacant after that date, then it will be filled at the next scheduled election, by special ballot if necessary.

III. New Business

    A. President's Observations

    B. Other New Business
