

BERKELEY COLLEGE REVERSE TRANSFER AGREEMENT

AGREEMENT by and between Berkeley College ("Berkeley"), an institution of higher education with a location at 44 Rifle Camp Road, Woodland Park, NJ 07424 and Kingsborough Community College ("KCC"), an institution of higher education located at 2001 Oriental Boulevard, Brooklyn, NY 11235.

WHEREAS, the parties desire to provide students who attended KCC then transferred to a bachelor's degree program at Berkeley without first obtaining associate's degrees from KCC with the ability to transfer credits subsequently earned at Berkeley back to KCC for the purpose of attaining their KCC associate's degrees; and

WHEREAS, the parties agree to further that goal by defining the terms and conditions under which those students will be able to transfer their Berkeley credits back to KCC.

NOW, THEREFORE, the parties agree as follows:

I. ELIGIBILITY REQUIREMENTS

In order to participate in the reverse transfer process,

- A. Students must have earned at least 30 semester credits at KCC prior to enrollment at Berkeley.
- B. Students must have been admitted to Berkeley.
- C. Students must have enrolled and earned credits towards a Berkeley baccalaureate degree program.
- D. Only credits earned at KCC within 10 years of the date of an application to transfer Berkeley credits to KCC will be covered by this Agreement.
 1. Any credits that are more than 10 years old will be reviewed by the appropriate School Dean. The Dean will consider the academic requirements of the particular discipline and current industry standards when making a determination as to which credits will be accepted.

II. QUARTER SYSTEM AND CREDIT HOURS

Berkeley follows a quarter system. For in-person courses, one Berkeley credit hour is equivalent to 50 minutes of scheduled class time plus two hours of out-of-class work, per week, over the span of a 12 week quarter.

III. REVERSE TRANSFER PROCESS

- A. Students will meet with their Berkeley academic advisors periodically. The advisors will evaluate the students' KCC and Berkeley transcripts.
- B. When the academic advisor has determined that the students have earned an adequate number of Berkeley credits that could potentially satisfy the remaining requirements for the students' associate's degree at KCC, the academic advisor will ask the students if they wish to send their transcripts back to KCC for evaluation.
- C. Berkeley will inform the students that they are not guaranteed an associate's degree from KCC and that it is within KCC's discretion whether to accept credits earned at Berkeley.
- D. Berkeley will inform the students that their transcripts will only be sent to KCC if the students provide written consent to such disclosure.
- E. Berkeley will send the students' transcripts to KCC.
- F. KCC will determine whether the associate's degree requirements are satisfied.
- G. KCC will inform the students of any additional paperwork or requirements that must be completed in order for the students to receive an KCC associate's degree.
- H. KCC will determine whether to grant an associate's degree. If so, KCC will award such degree in the semester when all requirements are satisfied.
- I. KCC will determine whether the students may participate in a future commencement ceremony.

- A. Both parties reserve the right to add, discontinue or modify its academic programs and policies at any time. Berkeley reserves the right to add, discontinue or modify its scholarship or other programs and policies at any time.
