

New York City Dept. of Buildings Site Safety

Kingsborough Community College is now a New York City Department of Buildings approved Site Safety Training (SST) Provider. Construction workers who need to complete all or part of their **40 hours of SST training** can take advantage of the opportunity to enroll with us.

According to NYC Dept. of Buildings, by 2019 workers at job sites that require a Site Safety Plan (which includes sites that must designate a Construction Superintendent, Site Safety coordinator or Site Safety Manager) must receive a minimum of 40 hours of training.

VTT 23 OSHA 30-Hour Construction **\$435**
MonTueWed 6:30-9:30pm
Oct 15-Oct 30

Geared towards construction industry workers with supervisory, oversight and safety responsibilities. OSHA recommends outreach training programs as an orientation to occupational safety and health for workers covered by OSHA 29 CFR 1926.

VTT 24 8-Hour Fall Prevention **\$150**
MonTueWed 6:30-9:30pm
Nov 4, 5 & 6

Trainees will become generally familiar with terms associated with fall hazards and controls in the construction industry as they pertain to construction in New York City; become able to recognize and avoid fall hazards, and prevent fall-related incidents from occurring or causing harm; learn responsibilities and accountabilities of various people on a construction site; become aware of regulatory safety requirements associated with falls and learn how to make informed decisions when working at heights.

VTT 25 2-Hour Drug & Alcohol Awareness **\$50**
Mon 7-9pm
Nov 11

Trainees will become generally familiar with adverse effects of drug and alcohol in the workplace and be able to recognize problems associated with substance dependency. This training will help trainees avoid working while under the influence of drugs and/or alcohol and be less susceptible and better at recognizing, avoiding and preventing adverse consequences of drug and/or alcohol use and abuse.

Additional Course Offerings: Call 718 368-5050 for schedules
