Change in Course Description for English 24:

The Freshman English Program is making one small change to the wording of the course description for English 24. This entails changing the word "interdisciplinary" to "multidisciplinary."

Current course description:

Interdisciplinary reading, writing and research focusing on the various ways knowledge is produced and articulated within the academy. Through an interdisciplinary process of inquiry, several required projects will emphasize different modes of research and information literacy.

This is the version we would like to replace it:

Multidisciplinary reading, writing and research focusing on the various ways knowledge is produced and articulated within the academy. Through a multidisciplinary process of inquiry, several required projects will emphasize different modes of research and information literacy.

Dear Interim Provost Fox:

Please find attached a curriculum data transmittal form containing an updated course description for Eng 24. We have been told that this form needs to go through your office to the College Curriculum Committee for review.

Sincerely:

A handwritten signature in cursive script that reads "Annie Del Principe".
