RE: Change in Admission Criteria for the A.A.S. Nursing

The Department of Nursing is proposing a change in Admission Criteria for A.A.S. Nursing related to the inclusion of the LPN to RN Bridge Program (LRN).

Change:

FROM:

Licensed Practical Nurses who are accepted into the Clinical phase of the Nursing Program may receive credit for NUR 1800 - Fundamentals of Nursing by earning a score of level two or better on the ATI Proctored RN Fundamentals Exam. Credit for NUR 1700 - Calculations for Medication Administration may be earned by passing the Nursing Department examination with a grade of “B” or higher.

TO:

Licensed Practical Nurses who are accepted into the Clinical phase of the Nursing Program may receive credit for NUR 1800 - Fundamentals of Nursing by earning a score of level two or better on the ATI Proctored RN Fundamentals Exam. Credit for NUR 1700 - Calculations for Medication Administration may be earned by passing the Nursing Department examination with a grade of “B” or higher.

Licensed Practical Nurses who are accepted into the Clinical phase of the Nursing Program may apply to the LPN to RN Bridge Program (LRN), an advanced standing pathway for Licensed Practical Nurses, that allows students to receive Credit for Prior Learning (CPL) for NUR 1700 – Calculations for Medication Administration (1 credit), NUR 1800 – Fundamentals of Nursing (7 credits), and NUR 2100 – Nursing the Ill Adult I (9 credits). Applicants must hold a current LPN licensure and complete the LPN to RN Bridge Course (NUR 1000) with a minimum grade of “C”.

Rationale for Change:

The Nursing Department has created an *LPN to RN Bridge Program (LRN)* to provide a structured opportunity for Licensed Practical Nurses (LPNs) to demonstrate proficiency in Medical Surgical Nursing, Pharmacology and Nutrition Nursing concepts. These areas of proficiency are embedded in NUR 1700, NUR 1800, and NUR 2100. Completion of NUR 1000 with a minimum grade of “C” allows students to receive Credit for Prior Learning (CPL) for NUR 1700, NUR 1800, and NUR 2100, earning them advanced standing within the program. The Admission Criteria for the Nursing program needed to be updated to reflect this new opportunity.
