More classes, More students.....More Success!

In 1998, following the success at KCC,  
CUNY and the NYC Public Schools joined forces to create the **College Now Initiative**.  
Today, 17 CUNY colleges work with over 250 high schools

A college grade is determined by students' work over the whole semester—class participation, projects, term papers, quizzes, mid-term and final exams, not a single high stakes exam.

### 2
