

Meet the Middle States Standards Fall 2023

As you may know, Kingsborough is currently undergoing its Self-Study as a part of its reaccreditation with the Middle States Commission on Higher Education (MSCHE), a.k.a. Middle States.

Each week we are sending out an email from the Standard co-chairs so that you can learn more about the Standards and how the Working Groups are conducting their review. This week we are hearing from:

Co-Chairs: Daniel Kane and Althea Maduramente

What is Standard IV?

From recruitment to beyond graduation, Standard IV explores the students' experience in between their academics. Our focus is whether students have a coherent and effective support system which enhances the quality of the learning environment, contributes to the educational experience, and fosters student success. We also look at whether policies exist to ensure that the diverse range of students who are accepted to our institution are compatible with the college's mission and have a reasonable chance of success within this web of support.

Dr. Althea Maduramente tells us about Standard IV at the Self-Study Kickoff Event on September 26, 2023
