"Where Dreams Begin"— I am particularly grateful for the whole of Kingsborough. Starting from the security department to those who maintained the beauty of the school; to the librarians who were always kind and amiable, to the great professors: Professor JOHN M KELLER (who taught creative writing; who's passion for teaching screams aloud); Professor Sarah Rutowski, ELA teacher who also taught with passion and joy; and who constantly challenges her student; Professor Twait who taught Music with great joy and fervor; and Professor Ryan Chaney, and the remaining teachers and advisor (SARAH BECK!!) that have influenced me positively. Now to my comrades—to the selected few— who have been chosen to this list, I commend you. Keep working, keep dreaming, keep on learning, and never stop playing.
