### UPDATED EXAM POLICY

Students are required to arrive at least 15 minutes prior to scheduled exam time.

2. All students, including NUR 2000 students, are required to wear the **KCC clinical uniform for all examinations, including approved shoes**. Unless granted permission from the nursing department, no shirts may be worn under or over the uniform, and arms must be visible. Failure to comply with this requirement will result in the student being prohibited from sitting for the examination. A makeup exam will be scheduled on the next designated makeup exam date.

3. All students should have their hair tied back so that their ears are visible. Only medically prescribed hearing devices or devices required for an AAS accommodation are acceptable. Medical documentation needs to be provided at the beginning of the semester to the instructor.

4. The wearing of jewelry of any kind is strictly prohibited during the examination. This includes, but is not limited to earrings, necklaces, bracelets, smart rings, all types of watches and any other item or any other item the faculty proctors deem unacceptable. Failure to comply with this requirement will result in the student being prohibited from sitting for the examination. A makeup exam will be scheduled on the next makeup exam date.

5. All eyeglasses are subject to inspection.

6. Any student who arrives 15 minutes later than the posted exam time will not be permitted to take the exam that day. A makeup exam will be scheduled on the next makeup exam date. There will be no exceptions to this policy. **Students will be allowed only one make up exam/semester.**

7. Students are required to line up outside of assigned classroom and will be seated at the discretion of the faculty.

8. All personal items (cell phones, smart watches, earbuds/pods, backpacks, purses, pens, highlighters, pencils, food and drinks etc.) must be placed in the classroom, at a location designated by the proctor before taking assigned seat.

9. Cell phones are to be turned off (not on vibrate) and placed with all personal items in the area designated by the proctor. At no time shall a student have their cell phone on their person once seated for the exam.

10. Students should remove all hats, scarves, sweatshirts, hoodies, prior to the beginning of the exam (The only exceptions are religious head coverings).

11. Prior to the start of the exam, students will be given a pencil and one sheet of paper, if required.

a. Additional paper can be requested from the proctor as needed.

b. Students must write their name on the paper.

c. **No information may be written on the paper before the exam begins.**

d. All paper will be collected by the proctor at the conclusion of the exam.

e. Returned paper must be intact and may not have any torn portions.

f. The paper will not be shared between students.

12. Students are prohibited from talking once the exam starts until the proctor states the exam is over and the students have exited the testing room.

13. Students are not permitted to discuss/record/write down the exam questions in any context on their own or with each other during or after the exam.

14. If the student has any questions once the exam begins, they are required to raise their hand, and a proctor will come to them.

15. Questions related to medical terminology are not allowed.

16. Once the student completes the exam, they are to raise their hand after the green check mark is visible on their computer screen. A proctor will come over to them to confirm their exam is uploaded.

17. After exam upload confirmation has occurred, the student will sign out of ExamSoft.

18. Once signed out of ExamSoft, the computer will not be used by the student for any reason. (Assignments, internet searching, personal use etc.).

19. Students will remain silent while they are waiting for the examination to be over.

**20. If a student does not comply with the exam rules, they will be dismissed from the exam, receive a grade of zero for the exam, be reported to the Academic Dishonesty office and have their final course grade withheld until a final resolution of their situation has occurred.**

## LECTURE AND CLINICAL INFORMATION

### **NUR 2200 VIDEOS**

**PLEASE REVIEW THE VIDEOS LISTED UNDER RESOURCES IN THE TEXTBOOK THAT IS ASSOCIATED WITH EACH CHAPTER!**

- Please check with the staff in our Nursing Department Office to inquire if you are required to attend an orientation for your clinical site. If your assigned agency requires an orientation, it is mandatory that you attend on the scheduled day. Failure to attend the orientation will result in removal from the course.
- Students are **not allowed** to do their clinical rotation where they are **employed**. It is the student's responsibility to notify the nursing office prior to the first day of class if there is a conflict.
- A *copy* of proof of influenza vaccination must be brought to the clinical agency on the first clinical day.
- ALL students must have health clearance, background check (CastleBranch – log on to your account and print report), verification of influenza vaccination, and a valid CPR certification *prior to the start of classes*.
- **Please retain a copy of each of these**; some of the clinical agencies require a copy of this documentation for their records.
- All clinical rotations are at assigned times. You should always be in full uniform and wearing your KCC ID.
- **Bring blank copies of the Unfolding Care Plan, Concept Map template and the Neuro assessment to the clinical every week.**
- You are no longer required to purchase individual malpractice insurance as CUNY has purchased a policy that covers all nursing students.
