CURRENT FUNDING OPPORTUNITIES

The following are brief synopses of upcoming funding opportunities. Please be sure to refer to the funder's website for details regarding submission requirements and program goals.

American Philosophical Society

Franklin Research Grants

<http://www.amphilsoc.org/grants/franklin>

From the website: Since 1933, the American Philosophical Society has awarded small grants to scholars in order to support the cost of research leading to publication in all areas of knowledge. The Franklin program is particularly designed to help meet the costs of travel to libraries and archives for research purposes; the purchase of microfilm, photocopies, or equivalent research materials; the costs associated with fieldwork; or laboratory research expenses.

Applicants are expected to have a doctorate or to have published work of doctoral character and quality. Ph.D. candidates are not eligible to apply, but the Society is particularly interested in supporting the work of young scholars who have recently received the doctorate. Independent scholars and faculty members at all four-year and two-year research and non-research institutions are welcome to apply provided that all eligibility guidelines are met.

Funding is offered up to a maximum of \$6,000. Grants are not retroactive. Grants are payable to the individual applicant.

Due Date: December 1, 2017

The Witter Bynner Foundation for Poetry Grants Program

<http://www.bynnerfoundation.org/>

From the website: Through a bequest from Witter Bynner in 1972, The Witter Bynner Foundation for Poetry perpetuates the art of poetry. The foundation promotes poetry in American culture and encourages grant proposals that expand awareness of the positive effects of poetry on society.

The Foundation's grant categories include:

- Individual Poets
- Translation and the Process of Translation
- Developing the Poetry Audience
- Uses of Poetry

Due Date: December 31, 2017

William T. Grant Foundation

Research Grants

<http://wtgrantfoundation.org/grants#apply-research-grants>

From the website: William T. Grant Foundation Research Grants support research to improve the lives of young people in the United States. Grants typically range from \$100,000 to \$600,000 and cover two to three years of support.

Due Date: January 12, 2018

Kress Foundation

History of Art Grants Program

<http://www.kressfoundation.org/grants/default.aspx?id=142>

Through its Grants Programs, the Kress Foundation supports scholarly projects that promote the appreciation, interpretation, preservation, study and teaching of European art from antiquity to the early 19th century.

Due Date: January 15, 2018

National Endowment for the Arts

NEA Big Read Grant

<https://www.artsmidwest.org/programs/neabigread>

Annually, the program supports approximately 75 dynamic community reading programs, each designed around a single NEA Big Read book.

Each community program that receives an NEA Big Read grant—which ranges between \$5,000 and \$15,000—is also provided with resources, outreach materials, and training on various aspects such as working with local partners, developing public relations strategies, and leading book discussions and Q&As.

Due Date: January 24, 2018

National Science Foundation

Improving Undergraduate STEM Education: Education and Human Resources (IUSE: EHR)

https://www.nsf.gov/funding/pgm_summ.jsp?pims_id=505082

Due Date: December 12, 2017

Simons Foundation

Targeted Grants in Mathematics and Physical Sciences

<https://www.simonsfoundation.org/funding/funding-opportunities/mathematics-physical-sciences/targeted-grants-in-mps/>

From the website: The Simons Foundation's Mathematics and Physical Sciences (MPS) division invites applications for its new Targeted Grants in MPS program. The program is intended to support high-risk projects of exceptional promise and scientific importance on a case-by-case basis.

A typical Targeted Grant in MPS provides funding for up to five years. The funding provided is flexible and based on the type of support requested in the proposal. Expenses for experiments, equipment, or computations, as well as for personnel and travel, are allowable.

Due Date: Rolling deadline

Spencer Foundation

Small Research Grants aim to support smaller scale or pilot research projects that have budgets of \$50,000 or less. Proposals are encouraged from scholars across a variety of disciplines in an effort to fund field-initiated education research.

<https://www.spencer.org/small-research-grants>

Due Dates: February 1, May 1, and August 1, 2018

If you are interested in applying for a grant, please contact Mabel Chee, Director of Development and Grants Officer, to discuss your proposed project at ext. 5673 or Mabel.Chee@kbcc.cuny.edu.

In addition, the Office of College Advancement and KCTL invite you to attend the following grant workshops:

- 1) Tuesday, November 14th, 11:30 am – 12:30 pm
- 2) Monday, December 4th, 3:00 pm – 4:00 pm

Location: KCTL Conference Room, M-391

CUNY Internal Funding Programs

The CUNY Office of Research is committed to supporting research excellence at CUNY community colleges. Since 2006, the Community College Research Grant Program has funded collaborative, interdisciplinary, and undergraduate research projects resulting in faculty and student development. For the 2017-2018 competition, the program will accept proposals from faculty across all disciplines for awards of up to \$10,000. Proposals may be submitted by individual faculty or collaborative teams. They encourage applications that involve undergraduate students.

*The submission deadline is **December 1, 2017**. They will announce the awards by the end of February, so that project work may commence in the summer of 2018. They expect to make 5-10 CCRG awards in 2018.*

Research Foundation of CUNY's Office of Award Pre-Proposal Support (APPS)

APPS supports and advances the University's mission of "a premier research [and educational] institution, building an array of modern facilities and expanding the ranks of its world-class faculty" by working closely with the faculty and campus administrations to:

- Encourage the faculty and students to write proposals
- Provide resources to faculty and students to write successful proposals
- Assist grant administrators in developing a standardized set of metrics to monitor proposal success rates across the University
- Provide leadership and expertise in the creation of a University-wide sponsored program development strategy
