**Note 2**

Awards are made to graduates in each discipline based on academic achievement and service to the College. These awards are presented at the Annual Commencement Awards Ceremony; the Nursing Pinning Ceremony; and the Art Gallery Awards Ceremony.

**Note 3**

This program rewards student academic achievement. A maximum 60 awards of \$300 each are made to eligible students as follows:

Freshmen students who are placed on the Dean's List in their first two semesters and attend Kingsborough full time for a third semester may qualify for the Dean's List Scholarship of \$300. (Transfer students and students who receive the WAVE Scholarship are not eligible.) Students do not need to apply to be considered for the Scholarship. If eligible, they will be contacted by the Associate Provost Office and will be presented with the scholarship check during the Dean's List Ceremony in the Fall or Spring. Should the number of students who have met the eligibility requirements exceed the number of scholarships available, awards will be issued to students with the highest grade point averages.
