RE: Deletion of MCB 3600 – Announcing Radio and Television

The Department of Communications and Performing Arts is proposing the Deletion of MCB 3600 – Announcing Radio and Television

Rationale for Change:

The deletion of this elective course, MCB 3600 – Announcing Radio and Television, is necessary as the skillset and knowledge taught in this course are included in the required courses MCB 3900 – Radio Studio Operations, MCB 4100 – Television Studio Production, and MCB 4900 – Media Production and Editing. Over the years these required courses have strengthened their announcing component and it has made MCB 3600 redundant as an elective course leading to it becoming increasingly unpopular among the degree students.
