DEPARTMENTAL ACTION

Action by Department and/or Departmental Committee, if required:

Date Approved: _____ Signature, Committee Chairperson: Richard Fruscione

If submitted Curriculum Action affects another Department, signature of the affected Department(s) is required:

Date Approved: _____ Signature, Department Chairperson: _____

Date Approved: _____ Signature, Department Chairperson: _____

Date Approved: _____ Signature, Department Chairperson: _____

Date Approved: _____ Signature, Department Chairperson: _____

Date Approved: _____ Signature, Department Chairperson: _____

I have reviewed the attached material/proposal

Signature, Department Chairperson: _____

TO: Special Meeting of the Curriculum Committee Meeting

FROM: Prof. Richard Fruscione, Chair, Department of Allied Health, Mental Health and Human Services

DATE: 2/17/2022

RE: Change in Admission Criteria for A.A.S. Polysomnographic Technology

The Department of Allied Health, Mental Health and Human Services is proposing a change in Admission Criteria for the A.A.S. Polysomnographic Technology.

FROM:

1. English and Math proficient as determined by the CUNY Proficiency Index, unless otherwise exempt, or have successfully completed any required developmental course(s).
2. Students must complete BIO 1100*, MAT 900* or MAT9B0*, ENG 1200, and PSG 100 with a minimum grade of “C”.
3. Formal interview with the Program Director

*It is HIGHLY recommended that students complete BIO 1100 and MAT 900 or MAT 9B0 during the 12-week semester.

TO:

1. English and Math proficient as determined by the CUNY Proficiency Index, unless otherwise exempt, or have successfully completed any required developmental course(s).
2. Students must complete BIO 1100*, MAT 900* or **MAT 9010*** or MAT 9B0*, ENG 1200, and PSG 100 with a minimum grade of “C.”
3. Formal interview with the Program Director

*It is HIGHLY recommended that students complete BIO 1100 and MAT 900 or **MAT 9010** or MAT 9B0 during the 12-week semester.

Rationale for Change:

The revisions to the Admission Criteria for the Polysomnographic Technology Program address:

1. The addition of MAT 9010 as an option for students is required as the developmental pathway of MAT M100 to MAT M200 to MAT R300 to MAT 900 will no longer be offered due to the CUNY mandate for removal of developmental education effective Fall 2022.
2. MAT 9010 is added to the notation encouraging students to take MAT 9010 during the 12-week semester as we have seen that students are most successful in meeting the admission criteria (minimum grade of “C”) when they complete the course during the 12-week semester as opposed to the 6-week module.
