RE: Degree Change for the A.S. Mathematics

---

The Department of Mathematics and Computer Science is proposing a degree change for the A.S. Mathematics

**Change:**

1. Under Required Core, Mathematics and Quantitative Reasoning, the **addition** of MAT 9010 – Introduction to Mathematics with College Algebra
2. **Addition** of MAT 9010 in the note section discussing placement

**Rationale for Change:**

CUNY had mandated the elimination of stand-alone developmental courses effective Fall 2022. MAT 9010 replaces the developmental pathway of MAT M100 to MAT M200 to MAT R300 that lead to MAT 900. The above changes to the degree requirements reflect this pathway.
