Room C333

1. Minutes from the 11/19/24 committee meeting were approved.
2. Scheduling of future meetings was discussed.
3. A lengthy conversation ensued on a proposal from Jacob Segal that we establish an Academic Freedom Subcommittee. Questions were raised about the scope of the activities as well as other issues. Segal will create a written proposal to be discussed at our next meeting.
4. The Committee reviewed the draft Procedural Guide and discussed next steps. The committee members agreed to comment on the draft by April 15 so that we can continue to move it toward completion. Our aim is to submit it to the Steering Committee before the last College Council meeting of the semester.

Minutes respectfully submitted

Jacob Segal, Committee Secretary
