

Baruch STEP Academy

The Baruch STEP Academy is currently looking for two instructor positions this fall: Geometry Review and SHSAT Preparation. We'd greatly appreciate it if you can distribute the information below among your networks. The deadline for both positions is **September 18th**. Minimum qualifications include a major or background in the subject area and experience with middle and high school populations. All courses will be held remotely, access to and familiarity with Zoom and Google Classroom are highly desirable.

1. **The Middle School Program will be providing SHSAT Test Preparation.** This course will concentrate on test preparation for the Specialized High School Admissions Test (SHSAT) for 8th graders. Students will review the English and math components for the November 2020 SHSAT exam. The program consists of five consecutive sessions from 10am—12pm starting on October 3, 2020 and ending on October 31, 2020. To apply for this position: <https://tinyurl.com/SHSATPrepInstructor>
2. **In the High School Program, both the Geometry Review course** will be held in the AM portion of this program. Geometry Review- This math review course is for students currently taking geometry at their high schools. There will be 90 minutes of instruction with a half hour for virtual office. During virtual office periods, instructors will be available for further understanding of the material and students will be scheduled for brief informational academic sessions with staff. This program consists of ten sessions from October 3, 2020 to December 12, 2020 (No session on November 28 for Thanksgiving break). To apply for the geometry instructor position: <https://tinyurl.com/GeometryInstructor>
