

Starfish at KCC

An Early Alert System and Student Success Intervention

Starfish @ KCC

- ▶ What's the best way to make an appointment to get help with selecting classes?
- ▶ What if I need help with other academic issues or concerns?
- ▶ How will I receive feedback about classes and other steps I can take to do my best?

Starfish @ KCC

Starfish is an early alert communication tool that supports student success. Students can connect with academic advisors, faculty and support staff to find solutions to common issues, and get the appropriate help.
