# Asian American Legal Defense and Education Fund

AALDEF is a national organization founded in 1974 to protect and promote the civil rights of Asian Americans. We have provided assistance to Asian Americans of all ethnic and immigrant backgrounds, who have been blamed for COVID-19 and targeted for hate violence, harassment, and discrimination. We have spoken at several events and conferences about the rise in anti-Asian violence and its historical roots, and we have advocated for stronger hate crime laws. As always, our approach addresses both individuals facing hate violence and the root causes of anti-Asian racism.

# DOROT

DOROT is a nonprofit organization addressing the challenges of an aging population. We serve our clients with a diverse range of programs and services. We deliver those programs and services through intergenerational connections with volunteers of all ages.

## **Service Package Delivery**

September 12 and 13

Time Commitment: 1-time commitment of about 90 minutes

Requirements: a valid, US government issued photo ID for participants ages 18+

DOROT's package delivery program brings hundreds of older adults and volunteers together to share warmth and companionship. Join us in Manhattan or Westchester for this special program in recognition of the National Day of Service and Remembrance.

Here's how it works:

1. Pick up a package of treats at DOROT on September 12 or 13
2. Deliver the package to an older adult
3. Connect with the older adult by phone for 20-30-minute friendly phone call

We strongly encourage all new volunteers to attend a 30-minute orientation session on Thursday, September 9 at 12:30 PM or 6:00 PM. We also welcome returning volunteers who would like to participate.
